RE: Anaconda Meeting  
DA: ~~October~~ 1, 1981

The Pueblo received a copy of a letter to Marc Nelson, of the U.S.G.S., indicating that they would complete their analysis/evaluating of reclamation alternatives by June 1, 1982. This constitutes an extended delay which is not in keeping with the Pueblo's time frame. Therefore, pursuant to the instructions of Council, I have set up a meeting for October 9, 1981, at which Mr. Jim Marvin, President of Anaconda Copper Company will be in attendance. The meeting will be held at the ARCO Office of Indian Affairs. I strongly urge you to send a delegation to meet with Mr. Marvin and other company representatives. I believe that a pre-meeting briefing session will be in order. I have contacted the local law firm and asked for their advice on the legal leverage that the Pueblo may possess in this matter. They, along with myself, will provide the pre-meeting briefing. I suggest that the briefing take place at 11:00 a.m. in the attorneys offices.
